[Department Circular No. 571]

### OFFERING OF UNITED STATES SAVINGS BONDS, SERIES C

DECEMBER 16, 1936.

1. The Secretary of the Treasury, pursuant to the authority of the Second Liberty Bond Act, approved September 24, 1917, as amended, offers for sale, to the people of the United States, through the Postal Service and other designated agencies (see paragraph 6), an issue of bonds of the United States, designated United States Savings Bonds, Series C, which will be issued on a discount basis, in amounts of \$25 (maturity value) and multiples thereof, will mature in 10 years from the issue date, but will be redeemable before maturity at the option of owners. These bonds will be placed on sale beginning January 1, 1937, and will continue to be on sale until this offering is terminated by notice given by the Secretary of the Treasury to the Postmaster General and to other designated sales agencies.

2. By notice heretofore given to the Postmaster General, the sale of United States Savings Bonds of Series B pursuant to Department Circular No. 554, dated December 16, 1935, will terminate on December 31, 1936. All applications for United States Savings Bonds received by mail subsequent to December 31, 1936, will be treated as applications for Series C bonds.

#### DESCRIPTION OF BONDS OFFERED

3. United States Savings Bonds, Series C, will be issued only in registered form, in denominations of \$25, \$50, \$100, \$500, and \$1,000 (maturity values), at prices hereinafter set forth, and will bear the name and address of the owner and the date as of which issued, which on original issue shall be inscribed thereon by the authorized postmaster (or other agent) at the time of issue, and an imprint of the dating stamp (with current date) of the postmaster or other issuing agent in the circle in the lower left corner of the bond. All such savings bonds are to be dated as of the first day of the month in which the issue price is received, and will mature and be payable 10 years from such issue date. They may be redeemed prior to maturity (but not within 60 days after the issue date), at the owner's option, in accordance with the table of redemption values appearing at the end of this circular. They may not be called for redemption by the Secretary of the Treasury prior to maturity. A table of redemption values for each bond appears on the face thereof. Partial redemption of savings bonds of denominations other than \$25 (maturity value) will be permitted in accordance with Treasury Department Circular No. 530, Revised. No interest will be paid on saving bonds, but the purchase price has been fixed so as to afford an investment yield of about 2.9 percent per annum compounded semiannually if the bonds are held to maturity. If the owner exercises his option to redeem a bond prior to maturity the yield will be less, varying with the respective redemption values.

4. The savings bonds will not be transferable, and will be payable only to the owner named thereon, except in case of death or disability of the owner or as a result of judicial proceedings, or as otherwise specifically provided in, and in any event only in accordance with, regulations prescribed from time to time by the Secretary of the Treasury (see Treasury Department Circular No. 530, Revised). Savings bonds shall be valid only if inscribed with the owner's name address, dated the first day of the month in which the issue price is received, and duly delivered by an authorized postmaster or other issuing agent; they will bear the fac-

simile signature of the Secretary of the Treasury, and the seal of the Treasury Department will be impressed thereon; if issued by a postmaster they will bear the post office dating (money order) stamp, and if issued by another agent they will bear the dating stamp of that agent.

5. The savings bonds shall be exempt, both as to principal and interest, from all taxation now or hereafter imposed by the United States, any State, or any of the possessions of the United States, or by any local taxing authority, except (a) estate or inheritance taxes, or gift taxes, and (b) graduated additional income taxes, commonly known as surtaxes, and excess-profits and war-profits taxes, now or hereafter imposed by the United States, upon the income or profits of individuals, partnerships, associations, or corporations. The interest on an amount of bonds authorized by the Second Liberty Bond Act, approved September 24, 1917, as amended, the principal of which does not exceed in the aggregate \$5,000, owned by any individual, partnership, association, or corporation, shall be exempt from the taxes provided for in clause (b) above. For the purposes of determining taxes and tax exemptions, the increment in value of savings bonds represented by the difference between the price paid and the redemption value received (whether at or before maturity) shall be considered as interest.

#### PURCHASE

6. Savings bonds of Series C may be purchased for cash, at post offices of the first, second, and third classes, and at selected post offices of the fourth class, at any time while this offer is in effect; and, subject to regulations prescribed by the Board of Trustees of the Postal Savings System, the withdrawal of postal savings deposits will be permitted for the purpose of acquiring savings bonds. Savings bonds may also be purchased by mail upon application to the Treasurer of the United States, Washington, D. C., or to any Federal Reserve bank, accompanied by a remittance to cover the issue price. Any Federal Credit Union or Federal Savings and Loan Association which has been designated and has qualified for employment as fiscal agent of the United States for the purpose may accept, from its members only, applications for United States Savings Bonds, accompanied by remittance of the purchase price, and will transmit such applications and remittances to the appropriate Federal Reserve bank for issue of the bonds. The issue prices of the various denominations of savings bonds of Series C follow:

| Denomination (maturity value) | Issue (purchase) price |
|-------------------------------|------------------------|
| \$25.....                     | \$18.75                |
| \$50.....                     | 37.50                  |
| \$100.....                    | 75.00                  |
| \$500.....                    | 375.00                 |
| \$1,000.....                  | 750.00                 |

#### LIMITATION ON HOLDINGS

7. Section 22 of the Second Liberty Bond Act, as amended, provides that it shall not be lawful for any one person at any one time to hold savings bonds issued during any one calendar year in an aggregate amount exceeding \$10,000 maturity value. In determining whether this limitation is exceeded at any time by any one person, there must be taken into account the aggregate present interest of that person at such time in the maturity value of all savings bonds issued during any one calendar year including, but not limited to, (a) the entire maturity value of (1) bonds registered in the name of that person and (2) those registered in his name with another named as coowner; as well as (b) the extent of his present interest in (3) those held for his benefit by a fiduciary and (4) those in which a present interest has been acquired by him on the death of another or on the happening of any other contingency. Bonds of which the person is merely the designated beneficiary in case of the death of the owner, or bonds which are held by him in a fiduciary capacity only,

<sup>1</sup>For regulations governing Federal Savings and Loan Associations and Federal Credit Unions, as fiscal agents of the United States, in connection with the sale of United States Savings Bonds to their members, see Department Circular No. 553, dated September 16, 1936 (1 F. R. 1371).

or those in the income and principal of which he has only a future interest need not be included. If any person at any time acquires a present interest in savings bonds issued during any one calendar year in an amount exceeding \$10,000, maturity value, he should immediately surrender an amount equal to the excess, which will be redeemed at the redemption value current on the date the excess was acquired.

#### AUTHORIZED FORMS OF REGISTRATION

8. United States Savings Bonds may be registered in the name of any natural person whether an adult or a minor, in the names of two (but not more than two) natural persons as coowners, in the name of one natural person and a single designated natural person as beneficiary in case of death, in the name of any incorporated or unincorporated body, and in the name of a fiduciary. Full information as to the authorized forms of registration for United States Savings Bonds is given in Section I of Department Circular No. 530, Revised, copies of which circular may be seen at any post office and may be obtained from the Treasury Department, Division of Loans and Currency, Washington, D. C., or from any Federal Reserve bank.

#### DELIVERY AND SAFEKEEPING OF BONDS

9. Postmasters and other agents from whom savings bonds may be purchased are authorized to deliver such bonds duly inscribed and dated upon receipt of the issue price. Delivery should not be accepted by any purchaser until he has verified that his name and address are duly and correctly inscribed on the face of the bond, that the bond is duly dated as of the first day of the month in which payment of the issue price was received, and that the dating stamp (with current date) of the postmaster or other issuing agent is imprinted in the circle in the lower left corner of the bond.

10. Any savings bond will be held in safekeeping without charge by the Secretary of the Treasury if the purchaser so desires, and in this connection the Secretary will utilize the facilities of the Federal Reserve banks as fiscal agents of the United States. The purchaser may arrange for such safekeeping as provided in Department Circular No. 530, Revised, at the time he purchases his bond or subsequently. Postmasters generally will assist owners in arranging for safekeeping, but will not act as safekeeping agents.

#### PAYMENT AT MATURITY OR ON REDEMPTION PRIOR TO MATURITY

11. Any savings bond will be paid in full at maturity, or redeemed in whole or in part at the appropriate redemption value prior to maturity (but not within 60 days after the issue date), in accordance with the terms of the bond, as provided in Department Circular No. 530, Revised, following presentation and surrender of the bond, by registered mail or otherwise, at the expense and risk of the owner, to the Treasury Department, Division of Loans and Currency, Washington, D. C., either direct or through any Federal Reserve bank, with the request for payment appearing on the back of the bond duly executed by the owner in the presence of and certified by (1) any United States postmaster or any other post office official authorized for that purpose (see Department Circular No. 530, Revised), whose signature must be authenticated by the imprint of his post office dating stamp; (2) an executive officer of an incorporated bank or trust company (authenticated by the impress of the corporate seal of the bank or trust company); or (3) any other person duly designated by the Secretary of the Treasury for the purpose. In case of the death or disability of the registered owner, instructions should be obtained from the Treasury Department, Division of Loans and Currency, Washington, D. C., before the request for payment is executed. Postmasters generally will assist owners in securing payment at or before maturity, but they will not make payment of savings bonds. Payment will be made by check drawn to the order of the owner, or other person

entitled to payment, promptly after discharge of registration at the Treasury Department.

#### AUTHORIZED REISSUES

12. Reissue of savings bonds in a different form of registration is authorized in certain instances, concerning which full information is given in Department Circular No. 530, Revised.

#### SERIES DESIGNATION

13. United States Savings Bonds of Series C, issued during the calendar year 1937, as evidenced by the issue date inscribed thereon at the time of issue, will form a separate series hereby designated Series C-1937. Savings bonds of Series A, issued during the calendar year 1935 are hereby designated Series A-1935, and those of Series B issued during the calendar year 1936 are hereby designated Series B-1936.

#### GENERAL PROVISIONS

14. All savings bonds issued pursuant to this circular shall be subject to regulations prescribed from time to time by the Secretary of the Treasury. Such regulations may require, among other things, reasonable notice in case of presentation of savings bonds for redemption prior to maturity. The regulations governing savings bonds issued hereunder are contained in Treasury Department Circular No. 530, Revised.

15. The Secretary of the Treasury may designate agencies other than those herein designated for the sale of savings bonds of this series, and he reserves the right to refuse to issue or permit to be issued hereunder any such savings bonds in any case or class, or classes of cases, if he deems such action to be in the public interest.

16. Postmasters of the first, second, and third classes, and selected postmasters of the fourth class, under regulations promulgated by the Postmaster General, and Federal Reserve banks and designated and qualified Federal Credit Unions, and Federal Savings and Loan Associations, as fiscal agents of the United States, are authorized to perform such fiscal agency services as may be requested of them in connection with the issue, delivery, safekeeping, redemption, and payment of savings bonds.

17. The Secretary of the Treasury may at any time or from time to time supplement or amend the terms of this circular, information as to which will be promptly furnished to the Postmaster General and other agents acting as fiscal agents of the United States in connection with savings bonds.

[Amendment No. 1 to Service and Regulatory Announcements No. 127].

## ADDITIONAL REGULATION, GRAIN WAREHOUSEMEN

By virtue of the authority vested in the Secretary of Agriculture by the United States Warehouse Act, approved August 11, 1916 (39 U. S. Stat. L., pp. 446, 486), as amended, I, H. A. Wallace, Secretary of Agriculture, do make, prescribe, publish, and give public notice of the following additional regulation to the regulations of the Secretary of Agriculture for grain warehousemen, promulgated May 9, 1931, under said Act, such additional regulation to be effective immediately:

## REGULATION 11

*Applicable Only to Warehousemen in Terminal and Futures Contract Markets*

SECTION 1. For the purpose of this regulation a futures contract market is any grain market designated as a futures contract market under authority of the Commodity Exchange Act.

SECTION 2. Licenses to weigh grain into, out of, and within licensed warehouses, receipts of which are deliverable in satisfaction of futures contracts may be issued to the weighmaster and his deputies of such contract market.

SECTION 3. The Chief of the Bureau may approve as registrar of warehouse receipts issued for grain in licensed elevators operating in a futures contract market the official designated by the State in which such contract market is located, if such an official position has been created by law, or any other individual provided such individual is not an employee of or the owner of any such licensed elevator.

SECTION 4. Licenses may be issued to employees of the grain inspection department of any State or any other agency to inspect and to certificate the grade of grain moving into, out of, or within the licensed elevators.

SECTION 5. Licenses may be issued to a chief sampler or his deputies in any market to sample and to inspect grain stored or to be stored in any licensed warehouse in a specified market for the purpose of determining the storability of the grain, subject to the Act and the regulations thereunder. Should a difference of opinion exist between any licensed warehouseman, the licensed sampler or any party having an interest in the grain, an appeal may be filed within 24 hours with the Chief of the Bureau who shall appoint three disinterested persons to serve as an appeals committee and the findings of this committee shall be final and binding on all parties.

SECTION 6. In addition to the financial responsibility and the bonding requirements of Regulations 2 and 3, such additional bond shall be required for the protection of the public as will make the bonded responsibility of each licensed warehouseman equal to the maximum amount of bond required of nonlicensed warehousemen by the Exchange, Board of Trade, or other agency within said market in which the licensed warehouseman is operating.

SECTION 7. Annually or more frequently if desired, a duly authorized Committee of any Exchange or Board of Trade that has been designated as a contract market may enter any warehouse operating under these regulations, when accompanied by U. S. Warehouse Examiners, to observe the official examination of the warehouse; or such Committee may participate in the making of such examination, under the supervision and direction of the U. S. Warehouse Examiner in Charge. The Committee shall be afforded full knowledge of the quantities, kinds, grades, and condition of all grain in the warehouse. The Committee may also with the Warehouse examiners have access to the warehouseman's records of receipts, fire insurance, weights, and grades. In lieu of an examination by any Committee of the Exchange or Board of Trade the Department will furnish, if desired, to the Secretary of the Exchange or Board of Trade a summarized statement of its findings of conditions at each licensed warehouse operating within the market.

SECTION 8. When a contract market designates any agency for the registration of public warehouse receipts and such agency is approved as provided for in Section 3 of this regulation, all warehouse receipts shall be registered with the registrar and any change in ownership of a warehouse receipt shall be reported to the registrar by the owner thereof, giving his name and address to the registrar. All registered receipts shall be entitled to the following protection:

(a) Whenever any licensed warehouseman considers that any grain stored in his warehouse is out of condition, or becoming so, and should be loaded out in order to protect the interests of the parties concerned, such warehouseman shall notify the registrar and the Chief of Bureau, giving the location, approximate quantity, grades, and condition of such grain, and the specific reason which makes loading out necessary. The registrar shall immediately notify the chief sampler, if there be one, otherwise the chief inspector, of the contract market, who shall at once proceed to the warehouse in which the grain is stored and examine it, in conjunction with the licensed warehouseman. If the chief sampler, or chief inspector, agrees with the warehouseman that the grain should be loaded out, he shall so notify the registrar and the Chief of the Bureau. If the chief sampler does not agree with the warehouseman, the latter shall have the right to appeal to the Chief of Bureau who shall appoint an Appeals Committee as provided in Section 5. If, on such appeal, the warehouseman is sustained, the registrar shall be notified and such warehouse receipts as are selected as herein provided shall no longer be regular for delivery in satisfaction of futures contracts made under the rules and regulations of such contract market.

The registrar shall thereupon select the oldest registered warehouse receipt for grain of the grade involved and such additional next oldest registered warehouse receipts in the order of their issuance as may be necessary to equal the total quantity of the grain involved, unless such grain has been stored, identity preserved, and shall notify such holder or holders or their agents and the president of the contract market of the condition of the grain and the necessity for its being loaded out. When this information reaches the president of the contract market he shall appoint a committee consisting of five disinterested handlers of cash grain, and notify the Chief of Bureau of the appointment of said committee giving the name, address, and business of each member. Each member of said Committee shall be subject to disapproval by the Chief of Bureau. If no exception is taken to the committee membership during the same business day by the Chief of Bureau, the committee shall meet at once, and after taking into consideration various factors that establish the value of the grade of grain called for by the receipts held by such owner or owners, shall determine the fair value of the grain on the basis of the market quotations for grain of the grade called for by the receipts on the day of the finding of the Appeals Committee that the grain should be loaded out, which price shall be paid to the owner or holder of each such receipt by the licensed warehouseman. If the price offered is not satisfactory to any such owner or holder, a committee appointed by the president of such contract market at the request of such owner or holder shall procure other offers for such grain and such offers shall be immediately reported to such owner or holder or to his agent. If the owner refuses to accept any such offers he shall have the two following business days to order and furnish facilities for loading such grain out of store and during this period the warehouseman shall be obliged to deliver the grain covered by the warehouse receipts, but not more than three days shall elapse after notification by the registrar to the holder of the receipts before satisfactory disposition shall have been made of the grain either by sale or by ordering out and furnishing facilities to load same, provided the amount of such grain does not exceed 100,000 bushels in any one elevator. If the amount of grain in question exceeds 100,000 bushels, the owner or owners of the warehouse receipts shall be allowed 48 hours of grace over and above the aforementioned three days for each 100,000 bushels or fraction thereof in excess of the first 100,000 bushels.

(b) In the event that the holder of the warehouse receipt or his agent fails to remove the grain or make other satisfactory disposition of same within the prescribed time it shall be held for his account and any loss in grade sustained shall likewise be for his account.

(c) Nothing in the foregoing provisions shall be construed as prohibiting the warehouseman from fulfilling contracts from other stocks under his control, subject to the U. S. Warehouse Act and Regulations thereunder.

SECTION 8. This regulation applies only to warehousemen operating in such markets as the Department may view as terminal markets or in such markets as may be designated as futures contract markets. All other regulations issued under the Act and applicable to grain warehousemen shall apply to warehousemen operating in such terminal or futures contract markets except as such regulations may conflict with this regulation.

In testimony whereof, I have hereunto set my hand and caused the official seal of the Department of Agriculture to be hereunto affixed in the City of Washington this 17th day of December 1936.
